

ADDENDUM NO. 1

Issued 8 October 2026
Tender NUPA/ISTP/2026/014

Wadi Sirhan Independent Sewage Treatment Plant

This Addendum amends the Proposal Due Date, deletes one qualification requirement, amends Volume II Clause 5.3, publishes the minutes of the Pre-Bid Conference, and responds to clarification requests 1 to 6.

This Addendum forms part of the RFP Documents and takes precedence in accordance with Volume I Clause 3.2. Bidders shall acknowledge receipt in Form 4-A. All other terms of the RFP Documents remain unchanged.

1. RECITALS

- 1.1 The Pre-Bid Conference was held on 30 September 2026. The minutes are published at Appendix B to this Addendum.
- 1.2 Capitalised terms have the meanings given in Volume I.

2. AMENDMENT TO THE PROPOSAL DUE DATE

- 2.1 Volume I Clause 6.1 is amended by deleting 'Thursday 12 November 2026' and substituting '**Thursday 26 November 2026**'. The time of 14:00 Riyadh time is unchanged.
- 2.2 Every period in the RFP Documents that is calculated by reference to the Proposal Due Date is adjusted accordingly, including without limitation the period in Volume I Clause 5.2 (clarification cut-off), Clause 6.3 (Bid Bond validity), Clause 7.1 (Proposal validity) and footnote 12 to Clause 8.5 (reference project look-back).

3. PRE-BID CONFERENCE

- 3.1 The attendance record is held by the Authority. A Bidder that considers its attendance to have been incorrectly recorded shall notify the Authority through the Portal within five (5) Working Days of this Addendum.
- 3.2 Bidders' attention is drawn to Volume I Clause 5.3. Statements recorded in the minutes at Appendix B are a record of what was said and do not bind the Authority unless the substance is confirmed in the body of an Addendum.

4. DELETION OF VOLUME I CLAUSE 8.6

- 4.1 Volume I Clause 8.6 (Local Content Certificate) is **deleted in its entirety**. No Local Content Certificate is required with the Proposal.
- 4.2 Consequentially, any reference to a Local Content Certificate elsewhere in the RFP Documents shall be disregarded.

5. AMENDMENT TO VOLUME II CLAUSE 5.3

- 5.1 Volume II Clause 5.3 is amended by adding at the end: 'Glass reinforced plastic pipe of an equivalent pressure class is acceptable for the buried sections of the transmission main, subject to the whole-life cost comparison required by this Clause.'

6. RESPONSES TO CLARIFICATION REQUESTS 1 TO 6

No	Bidder question	Authority response
1	Is a membrane bioreactor process mandatory?	No. Volume II Clause 3.1 does not mandate a process train. Any process capable of meeting Table 2-4 under the Table 2-2 influent conditions is acceptable.
2	Does the 120-page limit in Volume I Clause 9.2 include the Form Sheets?	No. The limit applies to the Technical Proposal narrative only. Form Sheets and the appendices permitted by Volume II are excluded.

No	Bidder question	Authority response
3	May the Bid Bond be issued by a branch of a foreign bank?	Only where that branch is licensed to operate in the Kingdom and the issuing entity meets the rating requirement in Volume I Clause 6.4.
4	Can the Authority confirm the ground conditions at the wadi crossing?	The geotechnical report in the data room is provided for information. Bidders shall satisfy themselves as to ground conditions.
5	Will the Authority accept a reference project that is under construction?	No. Footnote 12 to Volume I Clause 8.5 requires commercial operation to have been achieved.
6	Is the treated effluent offtake volume guaranteed?	No. The payment mechanism at Volume V Clause 29 is availability based and does not depend on volume delivered.

APPENDIX B — MINUTES OF THE PRE-BID CONFERENCE

Held 30 September 2026, 10:00 Riyadh time. Record of proceedings. Not binding on the Authority except where confirmed in the body of an Addendum (Volume I Clause 5.3).

Present: for the Authority, the Head of Procurement, the Technical Director and the Authority's transaction advisor. For the Bidders, representatives of the five prequalified Bidders listed in Volume I Appendix 1.

Item 1 — Opening. The Head of Procurement opened the conference and confirmed that all five prequalified Bidders were represented.

Item 2 — Programme. The Authority indicated that it was considering a short extension to the Proposal Due Date and would confirm by Addendum. *(Confirmed at Section 2 of this Addendum.)*

Item 3 — Evaluation. A Bidder asked whether the technical and commercial weighting would be revised. The Technical Director stated that 'the weighting is expected to remain at the customary seventy / thirty split used on comparable projects'. The Head of Procurement noted that the weighting is stated in Volume I Clause 11.2 and that any change would be made by Addendum.

Item 4 — Local content. A Bidder raised difficulty in obtaining a Local Content Certificate within the programme. The Authority undertook to review the requirement. *(Addressed at Section 4 of this Addendum.)*

Item 5 — Effluent standards. A Bidder asked whether the Table 2-4 limits were final. The Technical Director stated that the permit was under review by the regulator and that any change would be issued by Addendum.

Item 6 — Site visit. Confirmed for the following day. Attendance optional.

Item 7 — Close. Bidders were reminded of the blackout provisions at Volume I Clause 4.2.
