

ADDENDUM NO. 4

Issued 16 November 2026
Tender NUPA/ISTP/2026/014

Wadi Sirhan Independent Sewage Treatment Plant

This Addendum amends Section 2.5 of Addendum No. 3, reinstates Volume II Clause 8.2 in amended form, amends the electronic file naming convention at Volume I Appendix 2, and responds to clarification request 21.

This Addendum forms part of the RFP Documents and takes precedence in accordance with Volume I Clause 3.2. Bidders shall acknowledge receipt in Form 4-A. All other terms of the RFP Documents remain unchanged.

1. RECITALS

- 1.1 This Addendum is issued under Volume I Clause 5.3 and takes precedence over Addenda Nos. 1, 2 and 3 in accordance with Volume I Clause 3.2.
- 1.2 A reference in this Addendum to a Clause, Table or Form is to that Clause, Table or Form as amended by Addenda Nos. 1, 2 and 3, unless otherwise stated.
- 1.3 Clarification request 21 was received on 11 November 2026, before the time stated in Volume I Clause 5.2. Requests received after that time have not been answered.

2. AMENDMENT TO SECTION 2.5 OF ADDENDUM NO. 3

- 2.1 In Section 2.5 of Addendum No. 3, 'not later than eight (8) Working Days before the Proposal Due Date' is deleted and '**not later than five (5) Working Days before the Proposal Due Date**' is substituted.
- 2.2 In Section 2.5 of Addendum No. 3, 'within five (5) Working Days of receipt of a complete application' is deleted and '**within three (3) Working Days of receipt of a complete application**' is substituted.
- 2.3 A Shutdown Acceptance Letter issued in response to an application made before the date of this Addendum remains valid.

3. REINSTATEMENT OF VOLUME II CLAUSE 8.2

- 3.1 Volume II Clause 8.2, deleted by Section 4.1 of Addendum No. 3, is reinstated in the following amended form:

'8.2 A computerised maintenance management system shall be implemented before the start of the reliability run under Clause 7.2 and shall remain in use for the concession period.'
- 3.2 The response to clarification request 19 in Addendum No. 3 shall be read with Section 3.1 of this Addendum.

4. AMENDMENT TO VOLUME I APPENDIX 2

- 4.1 In Volume I Appendix 2, 'File names shall not exceed 120 characters.' is deleted and '**File names shall not exceed eighty (80) characters, including the extension.**' is substituted. The remainder of Appendix 2 is unchanged.

5. RESPONSE TO CLARIFICATION REQUEST 21

No	Bidder question	Authority response
21	Section 4.1 of Addendum No. 3 replaces Volume II Clauses 8.1 to 8.3 by new Clauses 8.1 and 8.3 only, but the response to clarification request 19 in that Addendum refers to the computerised maintenance management system required by Volume II Clause 8.2. Is a computerised maintenance management system required?	Yes. See Section 3 of this Addendum.

APPENDIX A — CONSOLIDATED TEXT FOR CONVENIENCE

The following consolidated text is provided for convenience only. In the event of any discrepancy, the operative provisions of Addenda Nos. 3 and 4 prevail.

A.1 Section 2.5 of Addendum No. 3, as amended by Section 2 of this Addendum

- ‘2.5 Where the Bidder elects method (b) for a tie-in point, it shall submit with Envelope A a letter from the Network Operator accepting the Bidder's proposed shutdown programme for that tie-in point (a Shutdown Acceptance Letter). Applications for a Shutdown Acceptance Letter shall be made to the Network Operator not later than five (5) Working Days before the Proposal Due Date. The Network Operator has undertaken to respond within three (3) Working Days of receipt of a complete application.’

A.2 Volume II Clauses 8.1 to 8.3, as amended by Addenda Nos. 3 and 4

- ‘8.1 The Project Company shall hold a spare parts inventory sufficient for eighteen (18) months of normal operation for all items with a lead time exceeding twelve (12) weeks, and shall record that inventory in the asset register required by Clause 7.4.’
- ‘8.2 A computerised maintenance management system shall be implemented before PCOD and shall remain in use for the concession period.’
- ‘8.3 The Project Company shall employ a plant manager holding a degree in chemical, civil, environmental or mechanical engineering and having not less than ten (10) years' experience in the operation of wastewater treatment facilities, and shall maintain a minimum of two (2) certified operators on shift at all times. The plant manager proposed for the first two (2) years of operation shall be named in the Technical Proposal, and his or her curriculum vitae shall be included as an appendix to it.’
